

The Fire Department Law & Management Resource Manual

(New York State Edition)

The Only Manual with Everything You
Need to Know to Manage a Fire Department

- Explains the laws that regulate fire departments
- Provides sample bylaws and policies
- Assists with management of the corporation
- Helps to protect the officers and members
- Easy to understand! Not “legal language”

Owned by over 450 fire departments in NYS!

Authored by Bradley M. Pinsky. Mr. Pinsky is an attorney, firefighter and E.M.T. who represents over 350 fire departments throughout New York State.
